# COUNCIL COMMUNICATION

AGENDA TITLE:

Public Hearing Regarding Unmet Transit Needs Within the

City of Lodi

MEETING DATE:

December 21, 1993

PREPARED BY:

Assistant City Manager

BACKGROUND INFORMATION:

In order to utilize Transportation

Development Act (TDA) funds for street and road improvements and to properly allocate the funds spent for transit purposes, it is necessary to reasonably meet any unmet transit needs.

The San Joaquin Council of Governments (COG) requires all agencies to annually hold a public hearing to solicit input from the citizens on unmet transit needs. So that we can assure the widest input possible, we schedule two hearings - one during the morning hours at Hutchins Street Square, 125 South Hutchins Street, and one at a regularly scheduled City Council meeting.

I will conduct an administrative hearing on Wednesday morning, December 21, 1994 at the Senior Center at Hutchins Street Square. A summary of that meeting will be prepared and should be made an official part of the minutes of this meeting. The Mayor should open this meeting to hear comments from the public of unmet transit needs in the City of Lodi.

A member of the COG staff will be in the audience and will make the actual recommendations to the COG Board of Directors as to the City of Lodi's unmet transit needs. That report will become the basis for the City's 1994-95 transit claim.

#### 1. ROLL CALL

**Present**:

Assistant City Manager Glenn, Administrative Assistant to the City Manager

Evans, and Deputy City Clerk Taylor

### 2. PUBLIC HEARING

Notice thereof having been published according to law, an affidavit of which publication is on file in the office of the City Clerk, Assistant City Manager Glenn called for the Public Hearing to obtain citizens' input regarding unmet transit needs within the City of Lodi.

Assistant City Manager Glenn presented an update on where the City currently is in regards to transit. SMART buses are now coming in to Lodi, as well as into Tracy, Stockton and Manteca, to provide inter-City transportation. The GrapeLine is also up and running and providing intra-City transportation to approximately 400 passengers a day.

## Hearing Opened to the Public

- Esther Nova, Lodi, commended the City for getting the GrapeLine running and believes this is the best thing that has happened to Lodi;
- Dorance Ochs, Lodi, expressed the need for an additional route to cover the east side of town and further suggested that maps and schedules be placed in various locations throughout town and at the bus stop locations;
- Roberta Gresham, Lodi, submitted a petition to the Deputy City Clerk with approximately 134 signatures requesting a route on the east side of town;
- 4. Rosa Gutierrez, Lodi, suggested the need for more bus service in the Turner Road area;
- 5. Sally Podesta, Lodi Unified School District, expressed her delight in the progress the City has made with transportation and questioned if there were any impacts on Dial-A-Ride.

Assistant City Manager Glenn responded that there has been no impact on Dial-A-Ride since the start date of the GrapeLine.

## Public Portion of Hearing Closed

Assistant City Manager Glenn informed the citizens that this Public Hearing will be continued to the regular City Council meeting of December 21, 1994 at 7:00 p.m., or as soon thereafter as the matter may be heard.

#### 3. ADJOURNMENT

There being no further business, the meeting was adjourned at approximately 10:25 a.m.
